

3-Bean Israeli Couscous Salad

Ingredients:

4 tablespoons olive oil, divided	2 cups water
1/4 cup red onion, finely chopped	4 ounces green beans, trimmed and cut into 1/2 inch pieces
2 tablespoons red wine vinegar	4 ounces yellow wax beans, trimmed and cut into 1/2 inch pieces
1 1/2 teaspoons Dijon mustard	1 (15 oz.) can kidney beans, rinsed and drained
1/4 teaspoon salt, divided	2 tablespoons fresh dill, chopped
1/4 teaspoon black pepper	2 tablespoons Italian parsley, chopped
1 cup Israeli (pearl) couscous	

Directions:

1. Whisk 3 tablespoons of olive oil, onion, vinegar, Dijon, salt, and pepper in a large bowl until combined. Set aside.
2. Heat the remaining 1 tablespoon in a large saucepan over heat until simmering. Add the couscous and cook until toasted and light golden brown, about 3 minutes. Add the water and bring to a boil.
3. Reduce the heat to a medium low and simmer uncovered for 7 minutes. Add the green and yellow beans and stir to combine. Cover the pot and cook until couscous and beans are tender, about 3 minutes. Drain the mixture through a fine mesh strainer to remove any excess cooking liquid.
4. Transfer the hot couscous mixture to the bowl of dressing, add the kidney beans, and store to combine. Let sit 20 minutes, stirring occasionally, to cool and let flavors combine. Stir in the dill and parsley. Serve warm or at room temperature.

Beans: If you can't find yellow wax beans, substitute with more green beans or canned. If canned, be sure to rinse and drain them.

Storage: Store leftovers in an airtight container in the refrigerator for up to 5 days.

Make ahead: Can be made without herbs up to 2 days in advance and stored in an airtight container in the refrigerator. Stir in herbs just before serving.
