

Curriculum Vitae

Vanessa Yvette Hiratsuka, PhD, MPH

ORCID 0000-0002-4234-9441

PERSONAL

Tribal Affiliation: Navajo and Winnemem Wintu

Address: 4105 Tudor Center Drive, Suite 200

Research Department

Southcentral Foundation

Anchorage, Alaska 99508

Phone: (907) 729-8627

Fax: (907) 729-5464

Email: vhiratsuka@scf.cc**RESEARCH INTERESTS**

Dr. Hiratsuka's focus is community-based participatory research within an Alaska Native managed patient-centered medical home primary care center serving American Indian/Alaska Native people in urban, rural, and frontier communities to reduce health disparities and promote health and wellness in a culturally appropriate manner. She is particularly interested in the development and adaptation of interventions focused on AI/AN children, families, and communities.

EDUCATION

Walden University, Minneapolis, MN 2013

PhD in Public Health, Community Health Education

Doctoral Dissertation: Early Childhood Caries-Related Quality of Life and Parental Practices and Beliefs among Alaska Native People

University of Alaska Anchorage, Anchorage, AK 2007

MPH, Masters in Public Health Practice

Master's Thesis: Changes in physical activity among participants of the Traditions of the Heart WISEWOMAN intervention

Stanford University, Stanford, CA 1999

Bachelors of Arts in Human Biology

PROFESSIONAL POSITIONS

Senior Researcher

Southcentral Foundation- Research Department, Anchorage, AK 2010 - Present

- Lead multiple research projects as site Principal Investigator, co-Investigator, or Program Director.
- Collection, analysis, and use of clinically relevant data to reduce risk and improve health for Alaska Native and American Indian customer/owners.
- Development of study protocols, manuscripts for submission to peer-reviewed journals and presentation of findings at local, regional, national and international scientific meetings.
- Training and mentoring of masters level researchers, research associates, and clinical staff conducting research within the Alaska Native Medical Center campus with a focus on navigating the tribal review process.

Researcher

Southcentral Foundation- Research Department, Anchorage, AK 2008 - 2010

- Conduct participant recruitment, data collection, and quality control procedures for quantitative and qualitative research projects.
- Development of study protocols, manuscripts for submission to peer-reviewed journals and presentation of findings at local, regional, national and international scientific meetings.
- Conduct qualitative analyses of focus group and interview datasets.

Evaluation Specialist

State of Alaska- Tobacco Prevention and Control Program, Anchorage, AK

2007 – 2008

- Design process, implementation and outcome evaluation measures (in support of over-arching program evaluation plan) for grantees serving communities (urban and rural; individual sites and regions over 50+ villages); health systems (tribal and non-tribal) and school districts (urban and rural).
- Design and implement evaluation tools and provide strategic planning technical assistance for twenty community coalitions; nine health systems and six school districts.
- Provide evaluation specific technical assistance to programmatic staff including program monitoring tools, design of progress measures and development of internally consistent processes.
- Implement the Alaska Tobacco Prevention and Control evaluation plan and evaluate progress on the Alaska Tobacco Control Alliance's strategic plan.
- Facilitate process and content with external evaluation consultants on collaborative evaluation projects, reports and manuscripts.

Program Manager

Southcentral Foundation- Screening and Prevention, Anchorage, AK

2004 – 2007

- Research project management including process improvement, intervention redesign, participant recruitment and enrollment, and protocol development/negotiation of approvals from two federal Institutional Review Boards.
- Budget reporting, data management, staff training, staff supervision, coordinating with internal contractors and departments
- Development of abstract and manuscripts; presentations of research findings at National and international conferences.
- Data analysis, database management, enrollment projection, process improvement and quality assurance to produce actionable evidence for program evaluation.
- Grant and corresponding program management of nine federal grants.

Public Health Educator

Alaska Native Health Board- Alaska Native Epidemiology Center,
Anchorage, AK

2003

- Assist the Alaska Native Epidemiology Center in translating public health research and analysis activities into lay materials for Alaska Native communities and individuals.
- Develop educational materials in a variety of formats in collaboration with scientific staff.
- Maintain a comprehensive bibliography about issues related to public health for Alaska Natives.
- Maintain and retool the agency website.

Program Manager

Alaska Native Health Board-Support Center for Tobacco Programs,
Anchorage, AK

2000–2003

- Manage grant and program for statewide program offering Alaska Native villages and regional health organizations assistance in addressing tobacco cessation and eliminating exposure to environmental tobacco smoke through capacity building regional training surveillance public education provider education and networking opportunities.

- Coordination of multi-day rural region conferences.
- Collaboration with public health partners in other tribes and regions of the United States to assist the Centers for Disease Control and Prevention design and implement the Alaska Native/American Indian Adult Tobacco Survey.

Support Coordinator

Southcentral Foundation- Women's Wellness Program, Anchorage, AK 1999 – 2000

- Collaborate with research partners on a multi-site case study of the breast and cervical cancer early detection program.
- Coordination of administrative functions within department including grant writing and federal grant data submissions/reporting.
- Supervise outreach staff and coordinate training for all department staff.
- Qualitative analysis of focus groups and key informant interviews.
- Create and implement marketing for cardiovascular prevention program and negotiation with federal partners and IRB during research project start-up phase.

Research Assistant

Indian Health Service- Injury Prevention Program, Rockville, MD 1999

- Assisted in the creation of the Sleep Safe pilot program, a national fire and burn injury prevention program administered through the Indian Health Service.
- Provide grant technical assistance to American Indian Head Start and Early Head Start programs.

Instructor/Ethnic Theme Associate

Stanford University- English Department, Stanford, CA 1997 – 1998

- Designed and taught two undergraduate courses on American Indian, Alaska Native, and Native Hawaiian literature and popular culture.

HONORS and AWARDS

| | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|
| Jens Peder Hart Hansen Award, American Society for Circumpolar Health | 2015 |
| National Institutes of Health (NIH) Health Disparities Research Loan Repayment Program | 2014-2016 |
| Native Children's Research Exchange Scholar | 2013-2015 |
| Delta Omega (National Public Health Honorary Society), (Selected as one of five inaugural distinguished alumni of University of Alaska Anchorage Gamma Iota Chapter) | 2012 |
| Honoring Our Successes Award, Southcentral Foundation | 2010 |
| Living Our Values Award, Southcentral Foundation | 2007 |
| Deans Award, Stanford University | 1999 |
| John Milton Oskison Award for Native American Writing, Stanford University | 1998 |

PROFESSIONAL MEMBERSHIPS

| | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|
| International Union of Circumpolar Health Member, Planning Committee, 15 th International Congress, Fairbanks, Alaska, International Network of Circumpolar Health Research Network | 2010-present |
| American Society of Circumpolar Health (ASCH) <i>Board Member</i> | 2004-present |
| Native Researchers Network (NRN) <i>Member</i> | 2005-present |
| Native Children's Research Exchange (NCRE) <i>Member, Postdoctoral Scholar</i> | 2012-present |
| Alaska Evaluation Network (AKEN) <i>Nominations committee chair, Board of Managers</i> | 2012-present |

Alaska Tobacco Control Alliance (ATCA)
Member

2000-present

TRAINING

| | |
|--------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2001-2003 | Tobacco Use Prevention Training Institute; instruction in Evaluation and Surveillance in Tobacco Control, Addressing Tobacco Use in Disparate Populations, Smokeless and Alternative Tobacco Products, Clean Indoor Air Policies, Nicotine Dependence Treatment Program, Development and Evaluation of Mass Media and Non-traditional Media; Centers for Disease Control and Prevention, Portland, OR. |
| 2007, 2008 | American Evaluation Association/Centers for Disease Control and Prevention Summer Evaluation Institute; instruction in Economic Evaluation for Decision Making, Theory Driven Evaluation, Survey Quality, Evaluation of Culturally Tailored Health Communications, and Evaluating Organizational Collaboration, Atlanta, GA. |
| 2009 | Institute for Global Tobacco Control Certificate, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD. |
| 2009 | Institute for Healthcare Improvement Open School Certificates in Leadership, Quality Improvement and Patient Safety |
| 2009 | Summer Research Training Institute for American Indian and Alaska Native Health Professionals; instruction in Research Design and Grant Development and Data Analysis with SAS, Northwest Portland Area Indian Health Board and Oregon Health & Science University |
| 2009-2011 | Center for Alaska Native Health Research (CANHR) Community Based Participatory Research (CBPR) Training Program, University of Alaska Fairbanks, Fairbanks, AK. |
| 2011 | 8-week Center for Native & Pacific Health Disparities Research Case-Based Biostatistics and Epidemiology Methods Course; University of Hawaii and Harvard University, Honolulu, HI |
| 2013 | Summer Research Training Institute for American Indian and Alaska Native Health Professionals; instruction in Epidemiology Methods and Cancer Prevention and Control, Northwest Portland Area Indian Health Board and Oregon Health & Science University, Portland, OR. |
| 2013-2015 | Post-doctoral Scholar, Native Children's Research Exchange Scholar, University of Colorado Denver, Denver, CO |
| 2013 | Community Readiness Assessment Training, Colorado State University |
| 2014 | Research Coordination: Core Skill Development Training, Institute of Translation Health Sciences, Anchorage, AK. |
| 2014 | Mixed Methods International Research Workshop, Boston College |
| 2014-present | Fellow, Native Investigator Development Program, University of Washington & University of Colorado Denver |
| 2015-present | Early Career Reviewer (ECR) program at the Center for Scientific Review (CSR), National Institutes of Health |

CONSULTATION

- 2012-2013 Evaluator, Alaska Native Tribal Health Consortium, Injury Prevention Program, Anchorage, Alaska
- 2012-2014 Consultant, Circumpolar Health Research Institute, Yellowknife, Northwest Territories, Canada, Indigenous knowledge and health systems responses: Exploring the values and context for health systems in an indigenous context
- 2013 Consultant, Emory Centers for Training and Technical Assistance, Tobacco Technical Assistance Consortium
- 2013-present Community Advisory Board Member, Biomarker Feedback to Motivate Tobacco Cessation in Pregnant Alaska Native Women (MAW)
- 2012-present Consultant, Southcentral Foundation Pediatric Dental Resident Research Projects

- 2013-present Consultant, Circumpolar Health Research Institute, Yellowknife, Northwest Territories, Canada, Mental Well-Being and Suicide Prevention in Circumpolar Regions: Developing the Evidence Base and Identifying Promising Practices
- 2015-present Community Panel Member, Ethics Training for Health in Indigenous Communities Study, University of Washington, Indigenous Wellness Research Institute
- 2015-present Alaska Area Technical Advisor, National Institutes of Health Tribal Consultation Advisory Committee

EDITORIAL CONSULTATION

- Ad hoc Reviewer, Journal of the American Board of Family Medicine, 2015
- Ad hoc Reviewer, Quality of Life Research, 2014
- Ad hoc Reviewer, Progress in Community Health Partnerships: Research, Education, and Action, 2014
- Ad hoc Reviewer, American Indian and Alaska Native Mental Health Research: The Journal of the National Center, 2012-present
- Ad hoc Reviewer, Preventing Chronic Disease: Public Health Research, Practice and Policy, 2013
- Ad hoc Reviewer, Journal of Primary Care and Community Health, 2013
- Ad hoc Reviewer, International Journal on Circumpolar Health, 2011-present
- Assistant Editor, Behavioral Health Section of the Proceedings of 15th International Congress on Circumpolar Health, edited 23 peer-reviewed manuscripts published in the International Journal on Circumpolar Health, 2012-2013
