

# French Lentil Salad

## Ingredients:

- 1 cup green or French lentils
- 2 cups low-sodium chicken broth
- 1/4 teaspoon salt
- 1/4 teaspoon pepper
- 4 slices turkey bacon, cut into small pieces
- 2 shallots, cut in half and thinly sliced
- 4 garlic cloves, minced
- 3 large rosemary sprigs, leaves stripped and minced
- 3 large sage leaves, minced
- 2 tablespoons capers, roughly chopped
- 1/2 cup Italian parsley, roughly chopped

## For the Dressing

- 3 tablespoons extra virgin olive oil
- 1/2 tablespoon balsamic vinegar
- 1 tablespoon Dijon mustard

## Directions

1. Wash and rinse the lentils. Put in a small saucepan and cover with the chicken broth. Bring to a boil then lower to a simmer and cook until just tender, 20 to 25 minutes. Add extra water while cooking if the liquid gets low. Drain the lentils and return them to the pot. Stir in the salt.
2. While lentils are cooking, cook the bacon in a heavy pan over medium heat until crispy. Drain most of the fat out of the pan, then add shallots, garlic, rosemary, and sage, and cook for 2 to 3 minutes or until the garlic is fragrant and shallots are tender but not soft. Remove from heat.
3. Whisk olive oil, mustard, and balsamic vinegar together until thick. Toss with warm, drained lentils, then stir in bacon and shallot mixture. Stir in chopped capers and parsley. Taste and season with additional salt, if needed, and a generous quantity of black pepper
4. Serve warm. This keeps for 5 days in the refrigerator and may also be served chilled.
