

# Pomegranate, Kale, and Wild Rice Salad

## Ingredients:

- 1 cup pomegranate arils
- 2 cups baby kale, chopped
- 2 cups wild rice, cooked
- 1/4 cup walnuts, toasted
- 1/4 cup feta cheese
- 1/2 cup onion or shallot, minced
- 2 tablespoons olive oil
- 2 tablespoons water
- 2 tablespoons honey
- 1/2 tablespoon apple cider vinegar
- 1/2 teaspoon salt
- 1 squeeze lemon or orange juice

## Directions

1. Prep the salad ingredients combining baby kale, pomegranate arils, wild rice, toasted walnuts, and feta cheese. Chill the ingredients in the fridge while you're making the dressing if you want a cold salad.
2. Mince shallot or onion and sauté in 1/2 tablespoons olive oil. When soft and fragrant, remove from heat and transfer to a food processor.
3. Pulse the onions or shallot with the remaining olive oil, water, honey, apple cider vinegar, salt, and a squeeze of lemon or orange juice until smooth and creamy. Adjust to taste.
4. Add additional olive oil or water to keep the mixture moving through the food processor.
5. Toss the salad together with the dressing just before serving. Serve this at room temperature or slightly chilled.
