

Southcentral Foundation is committed to the health and safety of customer-owners, employees and the community. In order to decrease risk of transmission of COVID-19, we are currently closed for in person visits.

We ARE open for business via phone calls. Please contact

We are sorry for any inconvenience this may be causing.

For non-emergency needs, we encourage you to call your health care team to have your concerns triaged.

If you need immediate emergency care, please proceed to the Emergency Room or call 911.
