## Cancer and Education Social Group

**You are invited to join us...**

When cancer touches your life, or that of a loved one, we know how important it is to have a network of friends for support. The Power of Hope Cancer and Education Social Group is a place where you can find support and discover healthy methods to manage living with, and surviving, cancer. Professionals will share stories on nutrition and meal planning, cancer prevention, risk factors and early detection, gene counseling, coping with stress, choosing the right treatment options, and more.
