ALASKA NATIVE MEDICAL CENTER

The Alaska Native Tribal Health Consortium and Southcentral Foundation jointly own and manage the Alaska Native Medical Center under the terms of Public Law 105-83. These parent organizations have established a Joint Operating Board to ensure unified operation of health services provided by the Medical Center.

Ask Me Why Script

I am wearing teal to raise awareness about cancers that affect the female reproductive system, called gynecological cancers. There are five major gynecological cancers including vaginal, vulvar, uterine, cervical, and ovarian cancers; but ovarian cancer symptoms can be particularly hard to detect or identify. This is why it is important for women to discuss any physical changes that are out of the ordinary with their provider.
