

## CURRICULUM VITAE

Jaedon Paul Avey, Ph.D.

[javey@scf.cc](mailto:javey@scf.cc)

[orcid.org/0000-0002-3858-0595](https://orcid.org/0000-0002-3858-0595)

### EDUCATION

- May 2014 Ph.D. Clinical-Community Psychology, with Rural Indigenous Emphasis  
University of Alaska (APA Accredited) Dissertation: *Discharge planning from urban psychiatric facilities to rural communities using telehealth.*
- Aug 2009 M.S. Clinical Psychology  
University of Alaska, Anchorage
- Aug 2005 B.S. Psychology  
University of Alaska Fairbanks  
University of Nebraska Kearney, National Student Exchange 2003-2004

### CURRENT PAID PROFESSIONAL POSITIONS

- 2017 - Senior Researcher, Southcentral Foundation, Anchorage, AK

### NOTABLE PROFESSIONAL INVOLVEMENT

- 2019 - Reviewer, Health Promotion Practice
- 2016 - Reviewer, Journal of Substance Abuse Treatment
- 2015 - Reviewer, American Indian and Alaska Native Mental Health Research
- 2010 - Reviewer, Journal of Rural Mental Health
- 2013 - 2016 Webmaster, Alaska Psychological Association, Anchorage AK
- 2012 - 2016 Moderator of AKPA-MH Listserv, Alaska Psychological Association, Anchorage, AK
- 2009 - 2016 Member-at-Large, Alaska Psychological Association, Anchorage AK

### PROFESSIONAL EXPERIENCE

*Senior Researcher, Southcentral Foundation, Anchorage, AK*

May 2017 –

- Lead a behavioral health research team consisting of master's level researchers and administrative support.
- Work with leaders, administrators, and clinical staff to identify research opportunities and priorities.
- Design studies, write grants, and secure project funding as principle investigator or co-investigator.
- Review study concepts, protocols, abstracts, and manuscripts as part of the research review process.
- All duties of Researcher II, as needed.

Research projects include:

*Urban Native Elders: Risk and Protective Factors for Alzheimer's and Related Dementia;*  
*Engaging Stakeholders to Implement Predictive Algorithms for Suicide in an Alaska Native Health System;*  
*Provider and Patient Factors Associated with Diagnosis of Alzheimer's Disease;*  
*Exploring Alaska Native Perceptions of Clinical Research Methodologies;*  
*An Acceptability and Feasibility Pilot of an Adapted Relationship Awareness Intervention for Committed AN/AI Couples;*  
*Integrated Health Records Mapped to Social Determinants of Health;*  
*Diet and the CPT1A Arctic Variant: Impact on the Health of Alaska Native Children; and*  
*Cultural Innovations for Recovery in Community-based Learning Environments;*  
*Identification of Sociodemographic, Clinical, and Genetic Factors that Aid Alaska Native and American Indian (AI/AN) People to Successfully Quit Smoking Tobacco; and*  
*Characterization of Polymorphic Gene Variation Known to Affect Nicotine and Nicotine Cessation Treatment Metabolism.*

*Researcher II, Southcentral Foundation, Anchorage, AK*

Nov 2013 – May 2017

- Responsible for operationalizing, conducting, and disseminating behavioral health research in support of principle investigators within a multidisciplinary research team in a tribal health organization.
- Develop IRB and Tribal approval study protocols.
- Direct and coordinate clinical research including recruitment, screening, assessment, and brief intervention.
- Conduct qualitative and quantitative data analysis for internal and external dissemination.
- Lead manuscript preparation and co-author oral and poster presentations for professional audiences.

Research projects include:

*Perceptions of Pharmacogenetic Testing to guide Tobacco Cessation*  
*Caring Texts: A Strength-based, Suicide Prevention Trial in 4 Native Communities;*  
*Contingency Management for Alcohol Misuse with AN People;*  
*Health Service Characteristics of Alaska Native People Who Attempt Suicide;*  
*Replication of Health Service Characteristics of Alaska Native People Who Attempt Suicide;*  
*Pilot Screening and Brief Referral for Trauma in Primary Care;*  
*Technology-based Health Services for AI/AN People with Trauma;*  
*Understandings, Preferences, and Needs that Influence Depression Treatment Decisions in AI/AN Individuals; and*

*Behavioral Health Consultant, Southcentral Foundation, Anchorage, AK*

Feb 2015 – May 2016

On-Site Post-Doc Supervisor: Denise A. Dillard, Ph.D.

- Completed psychological assessments for other Behavioral Health Consultants and Integrated Provider Teams operating in primary care related to traumatic brain injury, dementia, pain, and personality.
- Provided consultation regarding testing referrals as well as interpretation of psychological assessments by community providers.
- Received weekly individual supervision by licensed psychologist.

*Independent Consultant, Brian Saylor PhD and Associates, Anchorage, AK*

2009 - 2013

- Provided program evaluation consultation for Akeela regarding JCAHO accreditation and the State of Alaska's Outcomes Identification & Systems Performance Project.
- Conducted principle and secondary data analysis for a youth drinking and adult binge drinking prevention project through RurAI CAP and Kawaerak for the Norton Sound Region.
- Drafted initial Telebehavioral Health portion of Behavioral Health Aid Manual used by Alaska Native Tribal Health Consortium.

*Lead Mental Health Clinician, Akeela Stepping Stones, Anchorage, AK*

Aug. 2012 - Jan. 2013

- Provided group and individual psychotherapy services to women with co-occurring disorders in a residential substance abuse treatment setting as part of a community mental health organization.
- Contributed to the establishment of children's mental health services within Akeela's Anchorage programs.
- Provided case consultation and clinical supervision to an outpatient mental health clinician.
- Coordinated and received clinical supervision by a licensed psychiatrist (Deborah Gideon, M.D.).
- Continued providing program evaluation consultation for leadership regarding client outcomes.

*Trainer, Alaska Rural Behavioral Health Training Academy Anchorage, AK*

Sept. 2011 - June 2012

- Co-taught seasonal trainings on maintaining alliance within clinical supervision to professional

participants statewide through video teleconferencing.

- Incorporated participant feedback to improve each course iteration.

*Psychology Intern, Norton Sound Health Corporation, Nome, AK*  
*Alaska Psychology Internship Consortium (APPIC Member)*

July 2010 - June 2011

On-Site Internship Supervisor: Ray Droby, Ph.D.; Internship Director: John DeRuyter, Psy.D.

- Delivered psychological services including mental health and substance abuse treatment to individuals and families in a rural context.
- Conducted diverse psychological evaluations with a wide range of ages. Provided itinerant monthly psychological services to a regional village, often addressing substance abuse and trauma.
- Worked in an interdisciplinary chronic pain team to provide services to patients.
- Received weekly training and individual supervision by licensed psychologists.
- Completed 2-week inpatient and forensic rotation at Alaska Psychiatric Institute.

*Graduate Teaching Assistant, Psychology Department, University of Alaska, Anchorage, AK*

Aug 2008 - May 2010

- Assisted professor in course preparation, delivering lectures, and teaching a statistics lab.
- Independently instructed upper division courses to undergraduates.
- Developed all lectures, activities, essays, and exams.

*Clinical Practicum Student, Psychological Services Center, Psychological Assessment Practicum, University of Alaska, Anchorage AK*

Jan 2009 - May 2009, Aug 2009 – Dec. 2009

Practicum Supervisor: Patrick Dulin, Ph.D.

- Responsible for providing comprehensive psychological assessment services to a diverse community sample of adults.
- Conducted diagnostic interviews, administered normed tests, formed diagnostic impression and conceptualization for personality and intellectual assessments.
- Tailored treatment plan recommendations to referral question and source.
- Received weekly individual and group supervision.

*Community Practicum Student, Alaska Psychiatric Institute, Anchorage, AK*

Jan 2009 - Sept 2009

On site Supervisor: Robin Hobbs, LCSW; Practicum Supervisor: Mark E. Johnson, Ph.D.

- Designed group comparison and time-interval data analysis plans.
- Drafted policies and procedures to meet Joint Commission standards for Telebehavioral Health Services.
- Created presentations to public and professional audiences.
- Developed and taught graduate level social work course in telehealth.

*Clinical Practicum Student, Anchorage Community Mental Health Services, Anchorage AK*

Aug 2008 - Feb 2009

On Site Supervisor: Carey Edney, Ph.D.; Practicum Supervisor, Mark E. Johnson, Ph.D.

- Provided group therapy to adults with serious and persistent mental illness under clinical supervision.
- Facilitated innovative consumer-led group therapy.
- Worked as part of an interdisciplinary treatment team.

*Clinical Practicum Student, Veterans Affairs Clinic, Anchorage, AK*

Jan 2008 - July 2008

On-Site Supervisor: Marie Bateman, Ph.D.; Practicum Supervisor: Mark E. Johnson, Ph.D.

- Administered neuropsychological screenings and computer-based self-report assessments.
- Provided individual, group, and couples therapy under clinical supervision.

- Worked as part of an interdisciplinary behavioral health treatment team.
- Maintained treatment notes through a computerized patient record system.

*Research Assistant, Behavioral Health Research and Services, Anchorage, AK*  
Sept 2006 - June 2008

- Adapted and developed online suicide curriculum training materials.
- Created the initial sex offender Containment Model database.
- Assisted the data manager in creating advanced online surveys.
- Received training for and assisted in qualitative data analysis. Conducted quantitative data analysis and interviews.

*Clinical Practicum Student, Psychological Services Center, University of Alaska, Anchorage, AK*  
Aug 2007 - Apr 2008

On-Site Practicum Supervisor: Vivian Gonzalez, Ph.D.; Suzanne Womack Strisik, Ph.D.

- Responsible for maintaining a small caseload of culturally diverse individual therapy clients.
- Conducted initial screenings, intakes, diagnostic formulations, and treatment plans.
- Administered computer-based and self-report assessments.
- Provided individual therapy under clinical supervision.

*Youth Counselor III, Family Centered Services of Alaska, Fairbanks, AK*  
June 2005 - July 2006

- Responsible for day-to-day care, activity, and transportation of youth in community setting.
- Administered social behavioral treatments as specified in individual service plans.
- Maintained daily reports through case notes and Medicaid documentation. Supervised and monitored client's activity, computer and media use.

## **OTHER WORK EXPERIENCE**

Aug 2005 - May 2006                      Director Pro Tempore and Assistant, UAF Recycling, Fairbanks, AK  
Sept 2003 - June 2004                  Fabricator, Task Lighting, Kearney, NE  
July 2002 - June 2003                  Commission Salesperson, Sears Electronics, Fairbanks, AK  
Sept 2001 - May 2002                  Staff Writer, UAF Sun Star, Fairbanks, AK  
June 1999 - Aug 2001                  Fiction Staff, Titlewave Used Books, Anchorage AK

**FUNDED SUPPORT**

PAR-18-591 (Barnes)	08/01/19-07/31/20	1.6 calendar months
Alaska INBRE 5P20GM103395-18	\$100,000	

*Engaging Stakeholders to Implement Predictive Algorithms for Suicide in an Alaska Native Health System*

The primary aim of this administrative supplement is to engage tribal health system stakeholders to identify operationally feasible, clinically effective, and culturally acceptable strategies for implementing suicide risk prediction models in the electronic health record.

Role: Co-Principal Investigator of Supplement

PAR-16-297 (Avey, Donovan)	09/06/18-07/31/22	3.6 calendar months
NIH, NIAAA	\$1,194,080	

*Cultural Innovations for Recovery in Community-based Learning Environments*

The goal of this project is to adapt an online learning community intervention, combining self-management and peer-seer support for ANAI adults seeking support for alcohol misuse, and to pilot-test the feasibility, acceptability, and measurable effects of the intervention.

Role: Principal Investigator

PA-18-591 (Hiratsuka)	09/01/18 - 07/31/19	3.0 calendar months
NIH, NIA	\$140,000	

*Provider and Patient Factors Associated with Diagnosis of Alzheimer's Disease*

This supplement application is an exploratory project to enhance professional development opportunities for analysis of observational clinical data, to add variables to and update an existing Alzheimer's Disease and Related Dementia Registry, and to identify what provider, clinical, and social factors contribute to a timely diagnosis of Alzheimer's Disease and Related Dementia in a tribal health organization.

Role: Principal Investigator of Supplement

CPIMP171148 (Avey)	07/01/17 - 06/30/22	3.6 calendar months
DHHS, Office of Minority Health	\$2,000,000	

*Integrated Health Records Mapped to Social Determinants of Health: A Roadmap to Whole Healthcare Delivery*

The purpose of the Partnership program is to demonstrate that multi-partner collaborations that address social determinants of health and have a nationwide or regional reach, focus or impact can efficiently and effectively do one of the following: (1) improve access to and utilization of care by racial and ethnic minority and/or disadvantaged populations; (2) develop innovative models for managing multiple chronic conditions; (3) increase the diversity of the health workforce; or (4) increase data availability and utilization of data that increases the knowledge base regarding health disparities and facilitates the development, implementation and assessment of health equity activities.

Role: Project Director

AI/AN-CTRP Pilot Award (Avey)	10/16/17 - 07/31/18	3.6 calendar months
Idea – NIH	\$80,000	

*Adapting a Relationship Awareness Intervention for Committed AN/AI Couples (NIGMS)*

The goal of this pilot award through the "American Indian-Alaska Native Clinical and Translational Research Program" is to culturally adapt and pilot a relationship awareness intervention for committed AN/AI couples to for acceptability and feasibility. The knowledge gained may lead to a larger trial to evaluate the effectiveness of such an intervention to enhance emotional support and family cohesion.

Role: Principal Investigator

Development Award (Avey)  
AI/AN-CTRP

02/01/17 - 07/31/17  
\$41,967

1.5 calendar months

*Exploring Alaska Native Perceptions of Clinical Research Methodologies*

The goal of this development award through the “American Indian-Alaska Native Clinical and Translational Research Program” is to examine patient, provider, and leader preferences, priorities and concerns regarding different clinical research methods in an Alaska Native Community. The knowledge gained will aid Southcentral Foundation and other tribal health researchers in the effective design and implementation of research projects with methodologies that are appropriate, acceptable, and feasible in the Alaska Native Community.

Role: Principal Investigator
