

Curriculum Vitae

Denise A. Dillard, Ph.D.

Research Department
Southcentral Foundation
4085 Tudor Centre Drive
Anchorage, Alaska 99508
(907) 729-8518 office
(907) 317-0161 cell
(907) 729-5464 fax
Email: dadillard@scf.cc

Personal History:

Place of Birth: Fairbanks, Alaska
Citizenship: United States
Ethnicity: Inupiaq Eskimo
Children: Reid Davis Unuluk Brock

Educational History:

1991	Bachelor of Arts	University of Alaska, Fairbanks	Psychology
1991	Bachelor of Arts	University of Alaska, Fairbanks	Sociology
1994	Masters of Science	Colorado State University	Counseling Psychology
1997	Doctor of Philosophy	Colorado State University	Counseling Psychology
2019	Graduate Certificate	Alaska Pacific University	Alaska Native Executive Leadership

Training:

1993-1994	Psychology Extern, Department of Psychiatry, Alaska Native Medical Center, Anchorage, AK.
1996-1997	Psychology Intern, American Indian/Alaska Native track, Department of Psychiatry, University of Colorado Denver, Denver, CO.
2004-2006	Native Investigator, Native Elder Research Center, Department of Psychiatry, University of Colorado Denver, Denver, CO.
2007	Summer Scholar, Summer Institute in Survey Research Techniques, University of Michigan, Ann Arbor, MI. Courses completed included Qualitative Data Analysis: With and Without the Use of Computers, Analysis of Survey Data III, and Computer Analysis of Survey Data III.
2010	Faculty, 2010 Summer Workshop in Genomics "Short Course", Bethesda, WA.

- 2015-2016 Scholar, Patient Centered Outcomes Research Partnership, Northwest Center for Public Health Practice, University of Washington, Seattle, WA.
- 2017-2019 Student, Alaska Native Executive Leadership Program, Alaska Pacific University, Anchorage, AK.
- 2017-2019 Executive Leadership Experience, Southcentral Foundation, Anchorage, AK.

Positions Held:

- 1994 Instructor, Child Development, Colorado State University, Fort Collins, CO.
- 1997-1999 Instructor, National Center for American Indian and Alaska Native Mental Health Research, Department of Psychiatry, University of Colorado Health Sciences Center, Denver, CO.
- 1999-2000 Psychologist, Apache Behavioral Health Services, Whiteriver, AZ.
- 2000-2003 Psychologist, Behavioral Health – Primary Care, Anchorage Native Primary Care Center, Southcentral Foundation, Anchorage, AK.
- 2003-2004 Clinical Supervisor, Behavioral Health – Primary Care, Anchorage Native Primary Care Center, Southcentral Foundation, Anchorage, AK.
- 2004-2005 Systems Administrator, Behavioral Health – Primary Care, Anchorage Native Primary Care Center, Southcentral Foundation, Anchorage, AK.
- 2005-2006 Systems Administrator, Behavioral Services Division, Southcentral Foundation, Anchorage, AK.
- 2006 Project Manager, Behavioral Services Division, Southcentral Foundation, Anchorage, AK.
- 2007-2008 Researcher, Research Department, Southcentral Foundation, Anchorage, AK.
- 2008-present Director, Research Department, Southcentral Foundation, Anchorage, AK.
- 2011-present Adjunct Faculty, Alaska Pacific University, Anchorage, AK.
- 2015-present Affiliate Faculty, Washington State University, Spokane, WA.

Honors:

- 1986-1990 Kawerak Higher Education Scholarship
- 1989 Outstanding Student in Psychology Award, University of Alaska
- 1989-1991 Chancellor's Honor List, University of Alaska
- 1990 Gray Tilly Memorial Scholarship
- 1990 Jessie O'Bryan McIntosh Scholarship
- 1991 Cum Laude, University of Alaska
- 1991-1993 Grade A Fellowship, Colorado State University

1992-1995 Indian Health Service Health Professions Scholarship
2016 Outstanding Adjunct Award, Alaska Pacific University

Licensure:

2000-present Board of Psychologist and Psychological Associate Examiners, Licensed Psychologist, State of Alaska.

Committees:

2003-2007 Member, Pathway Home Advisory Committee, Southcentral Foundation, Anchorage, AK.

2005-2009 Member, Steering Committee, Regional Native American Community Networks Program to Reduce Cancer Disparities.

2006 Member, Alaska Epidemiological Outcomes Workgroup, Anchorage, AK.

2006-2009 Diversity Delegate, Alaska Psychological Association.

2007-present Member, Scientific Advisory Committee, Alaska Native Epidemiology Center, Anchorage, AK.

2007-2009 President-Elect, Alaska Psychological Association.

2008-2010 Member, Data Safety Monitoring Board, "A Randomized Trial of Workplace Interventions to Improve Health of Alaska Native People," University of Washington Center for Clinical and Epidemiological Research, Alaska Native Tribal Health Consortium.

2009-2010 Member, Strategic Advisory Group of Experts, University of Alaska Institute for Circumpolar Health Studies.

2009-2011 President, Alaska Psychological Association.

2011-2013 Past-President, Treasurer, Alaska Psychological Association.

2012 Ad Hoc Grant reviewer, Health Care Quality and Effectiveness Research, Agency for Healthcare Research and Quality.

2012 Ad Hoc Grant reviewer, Building the Science of Public Reporting, Agency for Healthcare Research and Quality.

2013-2017 Grant reviewer, Health Care Quality and Effectiveness Research, Agency for Healthcare Research and Quality.

2014-present Research Advisory Board, Proximal Care to Prevent Rural Alaska Native Youth Suicide

- 2015-2017 Scientific Advisory Group, Reducing the Incidence of Suicide in Indigenous Groups – Strengths United through Networks, U.S. Substance Abuse and Mental Health Services Administration, Centers for Disease Control, the Office of Global Affairs in the Department of Health and Human Services, and the U.S. Department of State, the Canadian Institutes of Health Research, the National Institute of Public Health (Denmark), and the Norwegian Institute of Public Health, proposes to conduct a mental health initiative under the U.S. chairmanship of the Arctic Council
- 2015-present Member, Alaska Area Institutional Review Board
- 2015-2017 Alaska Area Delegate, Tribal Consultation Advisory Committee, National Institutes of Health
- 2016-present Member, Steering Committee, Alaska IDeA Network of Biomedical Research Excellence
- 2016-2019 Consultant, American Indian and Alaska Native Health Research Best Practices Programmatic Guide, National Institutes of Health, Division of Program Coordination, Planning, and Strategic Initiatives
- 2017-present Member, Tribal Collaboration Working Group of the *All of Us* Research Program Advisory Panel
- 2017-present Member at Large, Tribal Advisory Committee, National Institutes of Health
- 2018-present Member, Advisory Board, CHOICES for Urban AIAN Young Women

Journal Review:

- 2000-present Peer reviewer, American Indian and Alaska Native Mental Health Research.
- 2005 Peer reviewer, Journal of Applied Gerontology, Supplemental Issue: Research on American Indian and Alaska Native Aging.
- 2008 Peer reviewer, Public Health Genomics.
- 2011-2014 Peer reviewer, Ethnicity and Disease.
- 2013 Peer reviewer, International Journal of Circumpolar Health.

Funded Grants:

Completed Support

R01MH48174 Manson (PI)

10/01/1997 – 06/03/1999

National Institute of Mental Health

American Indian Service Utilization, Psychiatric Epidemiology, Risk and Protective Factors Project

Led sub-study examining concordance between a lay-administered diagnostic interview and the Semi-Structured Clinical Interview for DSM-III-R (SCID). Parent study a large federally funded study of the prevalence of mental health, alcohol, and substance abuse problems and related services in several Indian communities.

Role: Project director

P30AG15297 Manson (PI)

01/01/2004 – 12/31/2005

National Institute on Aging
Native Elder Research Center

The goal of this program is to improve the research capabilities of American Indian and Alaska Natives from the social, behavioral, and health sciences. Dr. Dillard was mentored by Spero Manson, Ph.D., Clemma Jacobsen, M.S., and Scott Ramsey, M.D., Ph.D., during work on her study "Conduct Disorder, War Zone Stress, and War-Related Posttraumatic Stress Disorder in American Indian Vietnam Veterans." She was also mentored by faculty in preparing a Research Supplement to Promote Diversity entitled "Screening for Depression in Alaska Native and American Indian Primary Care Patients."

Role: Native Investigator

HHS1242200400049C Manson (PI)

01/01/2007 – 12/31/2008

Indian Health Service

Led project associated with the Special Diabetes Program for Indians Competitive Grants Program Coordinating Center. Projects examined the effectiveness of behavioral health consultants integrated into primary care in the detection and management of depression.

Role: Subcontractor

P30AG15297 Manson (PI)

01/01/2008 – 12/31/2009

National Institute on Aging
Native Elder Research Center

The goal of this program is to improve the research capabilities of American Indian and Alaska Natives from the social, behavioral, and health sciences. Dr. Dillard worked with Dedra Buchwald, M.D. and Janette Beals, Ph.D. (primary mentors) to mentor David Perdue, M.D. and Annie Belcourt, Ph.D. during their participation as Native Investigators.

Role: Secondary mentor

U26IHS300012 Lanier (PI)

09/15/2005 – 09/14/2010

Indian Health Service/National Institute on Alcohol Abuse and Alcoholism
NARCH III Program at ANTHC and University of Washington

Led pilot project entitled "Prenatal alcohol exposure among Alaska Native/American Indian Infants." Project intended to examine the association between prenatal alcohol exposure and the detection of fatty acid ethyl esters in meconium.

Role: Principal Investigator on pilot project effective August 2008

U26IHS300012 Lanier (PI)

09/15/2005 – 09/14/2010

Indian Health Service/National Institute of General Medical Services
NARCH III Program at ANTHC and University of Washington

Full Research Project (Dillard): Tobacco-Free Alaska Native Families

This project determined the association between self-reported tobacco exposure and cotinine metabolites in saliva.

Role: Principal Investigator on full research project effective August 2008

U26IHS300013 Dillard (PI)

09/30/2006 – 09/29/2010

Indian Health Service/National Human Genome Research Institute
Ethical and Cultural Implications of Specimen Banking Among Alaska Native People
This project determined the facts about an existing specimen bank in Anchorage including characteristics of consent and the history of the bank since its inception. The second goal involved ascertaining community views about biobanking through focus groups with community members and leaders across all the regions of Alaska.
Role: Principal Investigator effective May 2008, previously Co-Investigator

P20MD000173 Mau (PI) 06/01/2008 – 05/31/2011
National Center on Minority Health and Health Disparities
Partnerships for Cardiometabolic Disparities in Native and Pacific Peoples
Principal Investigator on pilot project entitled “Depression among Alaska Native/American Indian Primary Care Patients with Type II Diabetes.” Specific aims included: 1). To determine the extent of depression among American Indian/Alaska Native adult primary care patients with diabetes according to age and gender. 2). To explore how well the DSM-IV criteria for depression captures how it is viewed by AI/ANs with Type 2 diabetes of differing ages and gender. Service needs and treatment barriers were also explored.
Role: Principal Investigator on pilot project

UL1RR025014 Disis (PI) 09/24/2010 – 09/24/2011
National Center for Research Resources
Institute for Translational Health Sciences Alaska Native/American Indian Community Award
Principal Investigator on pilot project entitled “Health Service Characteristics of Alaska Native People With a Suicide Attempt.”
Role: Principal Investigator for Southcentral Foundation site activities

P60MD000507 Manson (PI) 09/15/2009 – 05/31/2012
National Center on Minority Health and Health Disparities
American Indian and Alaska Native Health Disparities
Principal Investigator on full research project entitled “Screening and Management of Depression Among Alaska Native Adults in Primary Care.” Specific aims as follows: 1) Describe the demographic and clinical characteristics of American Indians/Alaska Natives who screen positive for depression; 2) Identify how often primary care providers note or diagnose depression when AI/ANs score positive on a screening instrument, as well as variables associated with notation and diagnosis; and 3) Assess how often providers follow treatment protocols and factors which affect adherence.
Role: Principal Investigator on full research project

R18HS019154 Driscoll (PI) 07/01/2010 – 06/30/2012
Agency for Healthcare Research and Quality
Researcher on full research project entitled “Transforming Primary Care Practice.” This project determined the impact of a patient-centered medical home model of care on the characteristics and quality of patient care delivery.
Role: Researcher on Southcentral Foundation site activities

58G950031 Dillard (PI) 07/01/2010 – 06/30/2012
Department of Health and Human Services, Indian Health Service
Methamphetamine and Suicide Prevention Initiative
Principal Investigator on pilot research project entitled “Protective and Contributing Suicide Factors in Three Alaska Native/American Indian Communities.” Objectives as follows: 1) Using focus groups with parents of AN/AI youth and AN/AI youth aged 18 to 24, assess perceptions of

risk and protective factors of youth suicide in their community; and 2) Using interviews with key informants such as care providers, healers, or identified community leaders, assess available resources and obtain additional information about potential risk and protective factors of youth suicide.

Role: Principal Investigator on pilot research project

U54CA153605 Patten (PI)

10/01/2010 – 06/31/2013

National Cancer Institute

Researcher on full research project entitled “Biomarker Feedback to Motivate Tobacco Cessation among Pregnant Alaska Native Women.”

Role: Researcher

IP2PI000154 Robinson (PI)

07/01/2012 – 12/30/2014

Patient-Centered Outcomes Research Institute

Pilot Project Grant Program award for research project entitled “Engaging Stakeholders to Improve Depression Management in a Tribal Health System.” Specific aims include: 1) Identify stakeholder understandings, preferences, and needs that influence depression treatment decisions in AN/AI individuals; 2) Develop, pilot, and evaluate a stakeholder-centered decision-support tool to help translate and integrate evidence-based guidelines, and stakeholder understandings, preferences, and needs into depression management decisions; and 3) Determine the impact of the stakeholder-centered decision-support tool on health, service utilization, and economic outcomes.

Role: Co-Investigator

R21CA163171 Kelly & Dillard (PIs)

09/20/2012 – 08/31/2015

National Cancer Institute

Exploring Family Cancer History and Biospecimen Collection in an Alaska Native Community

The major goals of this project are to use a community-based participatory research approach to determine the preferred method for the collection of family health history and identify the concerns, preferences, and barriers regarding biospecimen collection and research use through questionnaire and focus groups.

Role: Co-Principal Investigator

U01GM092676 Thummel & Burke (PIs)

07/01/2010 – 06/30/2015

National Institute of General Medical Services

Pharmacogenetics Research Network

Principal Investigator on full research project entitled “Pharmacogenetics in Rural and Underserved Populations.” Specific aims are as follows: 1) Explore broadly the interest of Northwest AI/ANs and their health care providers in the use of pharmacogenetic tests and, as a corollary, their interest in participating in translational pharmacogenetic research studies; 2) Identify and characterize polymorphic variations in the CYP2D6, CYP2C9, CYP3A5, CYP3A4, CYP4F2, GGCX, and VKORC1 genes in Northwest AI/ANs; 3) Determine the association between CYP2D6 gene variation and tamoxifen metabolism in Northwest AI/ANs; 4) Determine the association between CYP3A5 and CYP3A4 gene variation and dose normalized steady-state tacrolimus blood concentrations in Northwest AI/ANs who have undergone kidney transplantation; and 5) Determine whether inheritance of CYP2C9, CYP4F2, and VKORC1 gene variants in Northwest AI/ANs affects the dose of warfarin needed to achieve a therapeutic INR and explore their impact on the risk of major bleeding events.

Role: Principal Investigator for Southcentral Foundation site activities

U54CA1534498 Buchwald & Henderson (PIs)

09/01/2010 – 03/31/2016

National Cancer Institute
Regional Native American Community Networks Program (RNACNP)
Principal Investigator on research project entitled “Using Digital Stories to Improve Colorectal Cancer Screening in Native Americans.” Effort will assess whether electronic messaging plus “care as usual” is differently associated with CRC screening uptake versus “care as usual”.
Role: Principal Investigator for Southcentral Foundation site activities

2P60MD000507 Manson, Novins & Dillard (PIs) 07/01/2012 – 06/30/2017
National Center on Minority Health and Health Disparities
Centers for American Indian and Alaska Native Health Disparities
Trauma-related research projects and community engagement and outreach activities as part of center activities. One research project focuses on trauma screening, brief intervention, and referral among American Indian and Alaska Native adults in primary care. The second will develop health information technology interventions to enhance clinical services for American Indian and Alaska Native people with trauma. Engagement activities will focus on bringing community partners more fully into the research process and improving mechanisms for disseminating the results of health disparities research.
Role: Principal Investigator

R25HS023207 Kessler (PI) 07/01/2014 – 06/30/2019
Agency for Healthcare Research and Quality
The University of Washington Patient Centered Outcomes Research Partnership
This effort will develop an experiential training program to prepare scientists and clinicians for conducting comparative effectiveness research and patient-centered outcomes research focused on reducing disparities in American Indian and Alaska Native populations.
Role: Principal Investigator for Southcentral Foundation site activities

U261IHS0079 Dillard & Burke (PIs) 09/15/2013 – 09/14/2019
Indian Health Service/National Institute of General Medical Sciences, National Institute on Alcohol Abuse and Alcoholism, National Institute on Drug Abuse
Southcentral Foundation Research Center for Alaska Native Health
The focus of this Native American Research Centers for Health (NARCH) proposal is the role genetics may play on substance abuse treatment in the Alaska Native and American Indian community. It is comprised of 5 independent yet closely linked grants: an Administrative Core, a Faculty Development Core, a Student Development Core, a research project entitled “Genetics and Tobacco Cessation Treatment in an Alaska Native Community,” and a research project entitled “Perceptions of Alcohol Use and Sobriety among Alaska Native People.”
Role: Co-Principal Investigator

Ongoing Support

U54GM115371 Voyich, Rasmus (PIs) 08/01/2016 – 07/31/2021
NIH/NIGMS
American Indian-Alaska Native Clinical & Translational Research Center (AI-AN CTRC)
This center has the goal of developing the capacity of Montana and Alaska to address the unique problems these state’s Native communities face in health disparities. The proposed effort is comprised of 5 research cores (Community Engagement and Outreach Core, Professional Development Core, Research Design, Epidemiology, and Biostatistics Core, Tracking and Evaluation Core, and Pilot Project Program Core).
Role: Site Director

U54MD011240 Manson (PI) 08/01/2016 – 02/28/2021
NIH/NIMHD

Native-Controlling Hypertension and Risks Through Technology
This center will support multilevel intervention research on hypertension among American Indian, Alaska Native, and Native Hawaiian/Pacific Islander people.
Role: Principal Investigator for Research Project

R01HG009500 Boyer, Hiratsuka, Woodahl (PIs) 09/05/2017 – 06/30/2020
NIH/NHGRI

Community-engaged Research Toward Precision Medicine with AIAN People
The overall goal of the proposed research is to advance policy approaches to support Precision Medicine research (PMR) with American Indian and Alaska Native (AIAN) people through culturally respectful dialogue, empiric data collection, and deliberation with rural and urban AIAN community members and tribal representatives in Alaska and Montana. We propose to address three complex and important challenges to conducting PMR within a successful community-academic partnership involving AIAN communities: (1) alignment of PMR with tribal health priorities; (2) return of PMR results to participants and communities; and (3) data stewardship.
Role: Co-Investigator

R01HD089951 Koeller, Dillard (PIs) 09/13/2017 – 05/31/2021
NIH/NICHD

Diet and the CPT1A Arctic Variant: Impact on the Health of Alaska Native Children
This project will prospectively characterize the health effects of a variant in the carnitine palmitoyltransferase 1A gene in Alaska Native children.
Role: Co-Principal Investigator

P30DK092923-06 Manson (PI) 09/15/2016 – 07/31/2021
NIH/NIDDK

Center for American Indian and Alaska Native Diabetes Translational Research
Southcentral Foundation is a Satellite Center and will collaborate with national partners to develop and sustain a multi-faceted agenda with respect to diabetes
Role: Site Lead

2U54MD000507 (Manson, Nelson) 09/22/2017 – 04/30/2022
NIH/NIMHHD

American Indian and Alaska Native Health Disparities
The overall goal of this center is to respond to the increasing incidence of cognitive impairment, dementia, and Alzheimer's disease among American Indian and Alaska Native people.
Role: Lead of Community Engagement and Dissemination Core, Lead of Alaska Satellite Center

1P01GM116691 (Burke) 08/1/16-07/31/21 0.5 calendar months
NIH/NIGMS \$250,099

Program on Genetic and Dietary Predictors of Drug Response in Rural and AI/AN Populations
The overall goals of this program are to 1) advance understanding of how genetic and environmental factors affect anti-coagulation and anti-platelet pharmacological responses; and 2) to more broadly improve the national environment for genomic research with AI/AN populations.
Role: Site Principal Investigator for Research Project

Urban Native Elders (URBANE): Risk and Protective Factors for Alzheimer's and Related Dementias

This project will quantify the extent of probable Alzheimer's disease and related disorders as well as vascular brain injury as defined by brain MRI and determine associations with cognitive functioning in a diverse sample of urban AI/AN elders.

Role: Co-Investigator

Presentations:

- Dillard-Lamp, D. A., & Rickard, K. M. (1994, August). Feminist Identity and Sexual Harassment: Behavioral Responses. Poster presented at American Psychological Association, Los Angeles, CA.
- Dillard, D. & Christopher, D. (2006, March). The Southcentral Foundation Depression Collaborative. Poster presented at Second Biennial Alaska Native Health Research Conference, Anchorage, AK.
- Dillard, D. (2006, March). Career Development Panel. Panel participant at Second Biennial Alaska Native Health Research Conference, Anchorage, AK.
- Dillard, D. (2006, April). Conduct Disorder, War Zone Stress, and War-Related Posttraumatic Stress Disorder Symptoms in American Indian Vietnam Veterans. Poster presented at Resource Centers for Minority Aging Research 2006 Annual Meeting, San Francisco, CA.
- Bradley, W., Dagg, L., Dillard, D., & Tolzman, J. (2006, June). Behavioral Health Consultant Integration: Southcentral Foundation at the Alaska Native Medical Center. Presentation at 2006 Indian Health Service/Substance Abuse and Mental Health Services Administration National Behavioral Health Conference, San Diego, CA.
- Dagg, L., Dillard, D., Knapp, N., Sloper, P., Tolzman, T., & Bradley, W. (2006, June). Primary Care Panel. Panel participant at Indian Health Service/Substance Abuse and Mental Health Services Administration National Behavioral Health Conference, San Diego, CA.
- Dillard, D. (2006, July). Depression Collaborative and Behavioral Health Consultant Integration. Presentation at Special Diabetes Program for Indians Regional Meeting, San Francisco, CA.
- Dillard, D. (2007, April). Assessment and Therapy with Alaska Native People. Presentation at Alaska Psychological Association conference "Meeting the Needs of a Diverse Alaska: Culturally Responsive Practice", Anchorage, AK.

Dillard, D. (2007, November). Ethical and Cultural Implications of Specimen Banking Among Alaska Native People: A Framework for Analysis of Two Pilot Focus Groups. Poster presented at the Native American Research Centers for Health grantee meeting, Bethesda, MD.

Dillard, D., Brown, J. K., & Etzel, R. A. (2008, May). Ethical and Cultural Implications of Specimen Banking Among Alaska Native People: A Framework for Analysis for Two Pilot Focus Groups. Presentation at Translating ELSI: Global Perspectives on Ethical, Legal, and Social Implications of Human Genome Research, Case Western Reserve University, Cleveland, OH.

Orell, L. J., Brown, J. K., & Dillard, D. (2008, November). Ethical and Cultural Implications of Specimen Banking Among Alaska Native People: Preliminary Results of a Qualitative Study for One Region of Alaska. Poster presented at the Native American Research Centers for Health grantee meeting, Bethesda, MD.

Wolfe, A. B. & Dillard, D. (2008, November). Ethical and Cultural Implications of Specimen Banking Among Alaska Native People: Historical Timeline of the Alaska Area Specimen Bank. Poster presented at the Native American Research Centers for Health grantee meeting, Bethesda, MD.

Brown, J. K., Peterson, L. & Dillard, D. (2008, November). Exploring the Tribal Health Research Approval Processes Across Alaska. Poster presented at the Native American Research Centers for Health grantee meeting, Bethesda, MD.

Dillard, D., Brown, J. K., & Smith, J. J. (2008, November). Southcentral Foundation Family Health History Demonstration Project. Presentation at Native American Research Centers of Health meeting co-sponsored by National Human Genome Research Institute, Rockville, MD.

Dillard, D., Ferucci, L., Orell, L., & Lanier, A. (2009, March). Depression Among American Indian and Alaska Native People: The EARTH Study. Presentation at 3rd Annual Alaska Native Health Research Conference, Anchorage, AK.

Dillard, D., Brown, J. K., Hiratsuka, V. Y., & Peterson, V. L. (2009, August). Historical Experiences with Research: What Alaska Native People Bring Up When Considering Specimen Banking. Presentation at 2009 Native Health Research Conference, Portland, OR.

Dillard, D., & Brown, J. (2009, October). Southcentral Foundation: Family Health History Project. Invited speaker for Session 33: Implications in Working with Underserved Communities in the Context of Genetics and Family Health History at the 59th Annual Meeting of the American Society of Human Genetics, Honolulu, HI.

Dillard, D., Muller, C., Smith, J., Hiratsuka, V., Lockhart, A., & Manson, S. (2010, April). Primary Care Depression Screening Among American Indian and Alaska Native Adults: The Role of Patient and Provider Factors. Poster presented at 5th Biennial International Society for Affective Disorders, Vancouver, BC.

Dillard, D., Smith, J., Ferucci, E., & Lanier, A. (July, 2010). Factors Associated with Depression Among Alaska Native and American Indian People: The Alaska Education and Research Towards Health (EARTH) Study. Poster presented at 22nd Annual Native Health Research Conference, Rapid City, SD.

Dillard, D., Khan, B., Brown, J., & Smith, J. (July, 2010). Depression and Psychosocial Needs of Alaska Native/American Indian Primary Care Patients with Type 2 Diabetes. Presentation at 22nd Annual Native Health Research Conference, Rapid City, SD.

Smith, J. Hiratsuka, V., Szafran, Q., Dillard, D., & Driscoll, D. (June, 2011). Analysis of Primary Care Sensitive Measures Before and After the 1999 Implementation of a Patient-Centered Medical Home in an Urban Primary Care Center. Poster presented at AcademyHealth Annual Research Meeting, Seattle, WA.

Hiratsuka, V., Brown, J., Robinson, R., & Dillard, D. (July, 2011). Views of Biobanking Research Among Alaska Native People. Presentation at 23rd Annual Native Health Research Conference, Niagara Falls, NY.

Dillard, D., & Hiratsuka, V. (July, 2011). Depression Among Alaska Native and American Indian People in Primary Care. Presentation at University of Alaska Anchorage Center for Addressing Health Disparities Summer Seminar in Health Disparities, Anchorage, AK.

Driscoll, D., Hiratsuka, V., Smith, J., Szafran, Q., Dillard, D., & Johnston, J. (September, 2011). Transforming Primary Care at Southcentral Foundation: Preliminary Findings. Poster presented at Agency for Healthcare Research and Quality Annual Meeting, Bethesda, MD.

Jolly, S., & Dillard, D. (August, 2012). Insights about Research from Former Native Investigator Program Participants. Presentation at Advancing Native Health and Wellness, Anchorage, AK.

Dillard, D. (December, 2012). Resource Centers for Minority Aging Research: Building Capacity to Address Health Disparities of Older Adults. Presentation at the 2012 Summit on the Science of Eliminating Health Disparities, National Harbor, MD.

Dillard, D. (February, 2013). Screening, Detection, and Management of Depression Among Alaska Native People in Primary Care. Presentation at the 2013 Annual Investigators Meeting, Center for Health Improvement of Minority Elders. Los Angeles, CA.

Dillard, D., Hiratsuka, V., Redwood, R., & Shaw, J. (March, 2014). Pharmacogenetic and Genetic Studies. Presentation at the 4th Alaska Native Health Research Conference. Anchorage, AK.

Hiratsuka, V., Dillard, D., Dirks, L., Moore, L., & Novins, D. (March, 2014). Cross-site Formative Research to Develop a Screening and Brief Intervention for Trauma in Primary Care. Poster presented at the 4th Alaska Native Health Research Conference. Anchorage, AK.

Shaw, J. & Dillard, D. (March, 2014). Knowledge and Preferred Use of Suicide Prevention Resources among Alaska Native and American Indian Adults in Southcentral Alaska. Poster presented at the 4th Alaska Native Health Research Conference. Anchorage, AK.

Dillard, D., Robinson, R., Thummel, K., & James, R. (October, 2014). Views of Pharmacogenetics and Tobacco Cessation Among Alaska Native People: Preliminary Findings. Presentation at the 2014 Society for Advancement of Hispanics/Chicanos and Native Americans in Science National Conference. Los Angeles, CA.

Dillard, D., Robinson, R., & James, R. (October, 2014). Alaska Native Cultural Charter School: Traditional Learning and Healing Garden. Presentation at the 2014 Society for Advancement of Hispanics/Chicanos and Native Americans in Science National Conference. Los Angeles, CA.

Dillard, D., Manson, SM, Henderson, J., Yellow Horse Braveheart, M., & Brooks, J. (November, 2014). Navigating Challenges in Conducting Biomedical Research. Invited panel discussant at the American Indian/Alaska Native Health Research Forum hosted by the National Institute on Minority Health and Health Disparities. Bethesda, MD.

Dillard, D., & Foxx, R. (December, 2014). Depression and Diabetes in Alaska. Invited presentation at the 30th Annual Alaska Native Diabetes Conference. Anchorage, AK.

Dillard, D. (January, 2015). After the Study: Roles and Responsibilities for Citizen Scientists/Researchers Once the Research Has Concluded. Invited panel presenter and discussant at the Workshop to Explore the Ethical, Legal, and Social Implications of Citizen Science Related to the NIH Mission hosted by the National Institutes of Health. Rockville, MD.

Dillard, D. (March, 2015). Perspectives and Experiences of An Alaska Native Investigator. Invited Robert Fortune Memorial Lecture speaker at the 2015 Annual Meeting of the American Society of Circumpolar Health. Anchorage, AK.

Dillard, D. (April, 2015). The Southcentral Foundation Nuka System of Care: Research with Alaska Native People. Invited keynote speaker at Montana INBRE Research & Training Symposium. Bozeman, MT.

Dillard, D. (September, 2015). Mental Health in the Arctic: Successes and Challenges in Suicide Prevention. Invited panel presenter at the Reducing the Incidence of Suicide in Indigenous Groups (RISING SUN) Workshop 1, Anchorage, AK.

Dillard, D., Burke, W., Dirks, L., & Triplett, B. (October, 2015). Multi-Stakeholder Approaches to Addiction Treatment in an Alaska Native Health System. Scientific symposium at 2015 Society for Advancement of Chicanos/Hispanics & Native Americans in Science National Conference. Washington, DC.

Dillard, D. (March, 2016). Screening, Detection, and Management of Behavioral Health Conditions Among Alaska Native/American Indian People in Primary Care. Invited visiting lecturer at University of Colorado Preventive Medicine Grand Rounds. Aurora, CO.

Shaw, J., & Dillard, D. (April, 2016). Explanatory Models of Alcohol Sobriety and Treatment in an Urban Alaska Native Context. Presentation at 2016 Alaska Native Studies Conference. Anchorage, AK.

Dillard, D., Robinson, R., Hiratsuka, V., Rogers, A., Triplett, B., & Nate, D. (April, 2016). Exploring Research Careers: Opportunities within a Tribal Health Organization. Presentation at 2016 Alaska Native Studies Conference. Anchorage, AK.

Robinson, R., & Dillard, D. (April, 2016). Research with Tribal Communities. Panel presentation at 2016 INBRE Health Symposium. Anchorage, AK.

Dillard, D. (August 2, 2016). Stimulating Science in American Indian, Alaska Native, and Native Hawaiian Communities. Invited speaker at National Heart, Lung, and Blood Institute Forum on

Heart, Lung, and Sleep Disorders in American Indian/Alaska Native/Native Hawaiian Youth, Bethesda, MD.

Robinson, R., Dillard, D., Burke, W., & Trinidad, S. (October, 2016). Training Approaches: Alignment with Community Values and Priorities. Presentation at 2016 Society for Advancement of Chicanos/Hispanics & Native Americans in Science National Conference, Long Beach, CA.

Moore, L., Avey, J., Hiratsuka, V.Y., Beach, B., Dirks, L.G., Dillard, D.A., Novins, D. (October, 2016). Screening, Detection, and Management of Trauma in American Indian and Alaska Native Communities. Roundtable presentation at the American Public Health Conference, Denver, CO.

Dillard, D.A. & Gachupin, F.R. (November, 2016). Principles: Partnerships for American Indian/Alaska Native Cancer Research. Invited speaker at the National Meeting in Precision Medicine and Cancer in American Indian & Alaska Native Communities, Oklahoma City, OK.

Buchwald, D., Houghton, M. Manson, S., Echo-Hawk, A., Dillard, D.A., Villegas, M., & Sinclair, K. (November, 2016). Precision Medicine, Community Engagement, and Native Health. Invited panel presentation at the Association of American Medical Colleges Learn Serve Lead Annual Meeting, Seattle, WA.

Dillard, D.A. (February, 2017). Current Research in American Indian and Alaska Native Behavioral Health. Invited guest lecture at Indian Health Issues course at the University of Washington School of Medicine, Anchorage, AK.

Dillard, D., Arian, P., & Ko, L. (March, 2017). Panel: Challenges and Successes of Recruiting Underrepresented Populations in Clinical Trials. Invited panel presentation at Northwest Participant and Clinical Interactions Network Annual Meeting, Seattle, WA.

Dillard, D.A., & Apok, C. (April, 2017). Introduction to Alaska Native Communities. Presentation at American Indian Alaska Native Clinical and Translational Research Program Spring Conference, Bozeman, MT.

Dillard, D.A. (July, 2017). What Do Stakeholders Want? Presentation at Patient Centered Outcomes Research Partnership Summer Institute, Seattle, WA.

Avey, J., Dillard, D., & Dirks, L. (June, 2017). Screening, Detection, and Management of Trauma in American Indian and Alaska Native Communities. Presentation at National Indian Health Board 8th Annual Tribal Public Health Summit, Anchorage, AK.

Hiratsuka, V., & Dillard, D.A. (September, 2017). Alaska Native People's Perspectives on Biospecimen Use in Research and Genetic Research. Invited presentation at Tribal Data Sharing & Genetics Policy Development Workshop. Albuquerque, NM.

Burke, W., & Dillard, D.A. (September, 2017). Tribal Perspectives on Data Sharing. Invited webinar presentation for ENRICH Forum: Ethical and Regulatory Issues in Cancer Research.

Rudolph, K. M. & Dillard, D. A. (September, 2017). Alaska Area Specimen Bank Presentation and Discussion. Invited presentation at the National Institutes of Health Tribal Advisory Committee Meeting, Bethesda, MD.

Beans, J., & Dillard, D.A. (September, 2017). Tobacco Cessation Treatment and Pharmacogenetics in a Tribal Health Setting. Presentation at the First Annual National Native Health Research Training Conference, Denver, CO.

Wolfe, A.W., Dillard, D.A., Klejka, J., Powell, S., & Edwards, K. (October, 2017). Tribal Approval of Research Presentations and Discussion. Panel presentation at 5th Annual Alaska Native Health Research Conference, Anchorage, AK.

Jones, A., Dillard, D.A., Coleman, S., & Woods, T. (October, 2017). Opioid Panel Discussion. Panel presentation at 5th Annual Alaska Native Health Research Conference, Anchorage, AK.

Robinson, R.F., & Dillard, D.A. (October, 2017). Research Priorities and Dissemination: Interactive Discussion. Panel presentation at 5th Annual Alaska Native Health Research Conference, Anchorage, AK.

Dirks, L. & Dillard, D.A. (October, 2017). Using Cognitive Interviews to Adapt the Public Attitudes about Alcohol Misuse and Sobriety among Alaska Native and American Indian People Survey. Presentation at 5th Annual Alaska Native Health Research Conference, Anchorage, AK.

Robinson, R., Avey, J., & Dillard, D.A. (October, 2017). Impact of Wellness Care Plan on Health Service Utilization and Clinical Outcomes. Poster presentation at 5th Annual Alaska Native Health Research Conference, Anchorage, AK.

Ryan-Todd, M., Apok, C., Robinson, R., & Dillard, D.A. (October, 2017). Blood Pressure: Improving Control Among Alaska Native People (BP-ICAN) Qualitative Study to Identify Customer-Owner and Provider Blood Pressure Management Needs. Poster presentation at 5th Annual Alaska Native Health Research Conference, Anchorage, AK.

Dillard, D.A. (February, 2018). Current Research in American Indian and Alaska Native Behavioral Health. Invited guest lecture at Indian Health Issues course at the University of Washington School of Medicine, Anchorage, AK.

Caindec, K., & Dillard, D.A. (April, 2018). Research Review at Southcentral Foundation. Presentation at 2nd Annual Meeting of American Indian Alaska Native CTR. Anchorage, AK.

Tierney, S., Dillard, D. A., Aregood, M., & Hirst, M. (April, 2018). Southcentral Foundation: Measurement, Analysis, & Knowledge Management. Presentation at the 30th Annual Quest for Excellence Conference, Baltimore, MD.

Apok, C. & Dillard, D.A. (March, 2018). Scientific Presentations with American Indian and Alaska Native Communities. Presentation at American Indian-Alaska Native Clinical & Translational Research Center Brown Bag, Anchorage, AK.

Trinidad, S., Shaw, J., Dirks, L., Burke, W., & Dillard, D.A. (October, 2018). Explanatory Models of Alcohol Misuse and Sobriety in an Alaska Native Healthcare System. Scientific symposium at 2018 Society for Advancement of Chicanos/Hispanics & Native Americans in Science National Conference. San Antonio, TX.

Dillard, D.A. (October, 2018). Learning from Indigenous Communities about Data Sharing. Presentation at American Indian-Alaska Native Clinical & Translational Research Center Brown Bag, Anchorage, AK.

Manson, S.M., Dillard, D. A., Parker, T., Cwik, M., Richardson, M., & McEachern, D. (April, 2019). Suicide Risk and Related Behavioral Health Problems among American Indians and Alaska Natives: Detection and Management in Primary Care. Scientific symposium at 10th Anniversary Conference Global Mental Health Without Borders, Bethesda, MD.

Galbreath, D. & Dillard, D. A. (June, 2019). The Role of Healthcare Systems in Preventing Chronic Disease in American Indian and Alaska Native Communities. Invited speaker at NIH Pathways to Prevention Workshop: Achieving Health Equity in Preventive services, Bethesda, MD.

Dillard, D.A. (September, 2019). Research at Southcentral Foundation. Invited speaker at 2019 Alaska INBRE Research Retreat, Talkeetna, AK.

Dillard, D.A. (September, 2019). Create Systems to Integrate Genomics Into Everyday Clinical and Public Health Practice. Invited speaker at National Human Genome Research Institute Strategic Planning Workshop: Genomics in Medicine & Health, Bethesda, MD.

Dillard, D.A. (October, 2019). Medical Home Implementation and Trends in Diabetes Quality Measures for Alaska Native and American Indian People in Primary Care. Invited webinar for the Center for American Indian and Alaska Native Diabetes Translation Research, Anchorage, AK.
