Southcentral Foundation Health Education offers cancer prevention learning opportunities and support services. The Power of Hope Cancer and Education Social Group is a place where you can find support and discover healthy methods for preventing, managing, and surviving cancer. There are two ways to get involved:

Sacred Space | Second Thursday of the Month

This monthly learning circle session provides a space for customer-owners and their support members to discuss milestone, feelings, and concerns about their cancer experience in a caring atmosphere. Attendees share their journeys, thoughts, and encourage others in a safe and supportive environment.

Cancer Prevention Education | Fourth Thursday of the Month

This monthly learning circle includes specialists in the field of cancer sharing knowledge on nutrition, meal planning, cancer prevention, risk factors, early detection, and more.

Who:

Anyone in the community going through cancer treatment, cancer survivors, caregivers, or support partners.

What:

A support learning circle, designed to provide cancer education and support.

When:

Noon - 1 p.m., on the second and last Thursday of every month
