LOSE to WIN

2022 Schedule

Tuesdays, Noon - 1 p.m. via Zoom

THE LOSE TO WIN PROGRAM is in the process of becoming a Centers for Disease Control and Prevention recognized Diabetes Prevention Program. Southcentral Foundation Health Education is seeking customer-owners to participate in the new program.

We are looking for adult customer-owners who are ready to engage in program activities and have one of the following:

- High risk factors for developing Type 2 diabetes.
- A BMI greater than 25.
- Exercise habits that total less than 150 minutes per week.

Lose to Win is a yearlong, two-session program, designed to provide the guidance and tools to promote positive lifestyle changes among participants. This is a team effort, supported by SCF health educators, dietitians, behavioral health consultants, and exercise physiologists.

The session starts Aug. 2 and intakes must be completed by July 29. If you or a customer-owner you know are interested in joining the next session, email the Lose to Win team at scflosetowin@SouthcentralFoundation.com or call Health Education at (907) 729-2689 with the customer-owner's information and which qualification is met for referral to the program.
