LOSE to WIN

2023 Schedule

The Lose to Win Program is an evidence-based diabetes prevention program that focuses on healthy lifestyle changes. Southcentral Foundation Health Education is seeking customer-owners to participate in the program.

We are looking for adult customer-owners who are ready to engage in program activities and have one of the following:

- High risk factors for developing Type 2 diabetes
- A BMI greater than 25
- Exercise habits that total less than 150 minutes per week
- Not currently pregnant

Lose to Win is a yearlong, two-session program, designed to provide the guidance and tools to promote positive lifestyle changes among participants. This is a team effort, supported by SCF health educators, dietitians, behavioral health consultants, and exercise physiologists.

The session starts Aug. 1, intakes begin June 26, and must be completed by July 21. If you or a customer-owner you know are interested in joining the next session, email the Lose to Win team at scflosetowin@southcentralfoundation.com or call SCF Health Education at (907) 729-2689 with the customer-owner's information and which qualifications are met for referral to the program.

Scan this QR code to join the SCF learning circle.
