Owner Background SCF is a 501c(3) nonprofit organization and is a GSA eligible buyer. Southcentral Foundation (SCF) is an Alaska Native-owned healthcare organization serving an estimated 75,000 Alaska Native and American Indian people living in Anchorage, the Matanuska-Susitna Valley, and 60 rural villages in the Anchorage Service Unit (ASU). SCF's first P.L. 638 contract with the Alaska Area Native Health Service began in 1984 to provide dentistry, optometry, community health representatives and injury control services. Substance abuse treatment was added in 1987.

In 1998, SCF assumed ownership and management of the Anchorage Native Primary Care Center, which serves the entire Native population of the state - an estimated 130,682 people. In January 1999, SCF and the Alaska Native Tribal Health Consortium signed an agreement to take over management of the Alaska Native Medical Center from the Indian Health Service.

With this transition, Alaska became the first state in the nation to have all its health facilities for Native Americans managed by Native organizations.

Final acceptance or rejection of the goods will be made as promptly as practical after delivery except as otherwise provided in a Purchase Order, but failure to inspect and accept or reject goods or failure to detect defects by inspection, will neither relieve Bidder from responsibility for such goods as are not in accordance with a Purchase Order nor impose liabilities on SCF for them. SCF's payment for the goods shall not constitute its acceptance of the goods. Goods rejected and goods supplied in excess of quantities ordered may be returned to the Bidder at Bidder's expense. Payment, if any, made for any goods rejected hereunder shall be promptly refunded by Bidder.
- If any of the goods or services are found at any time to be defective in material or workmanship, or otherwise not in conformity with the requirements of this Order, including any applicable drawings and specifications, then SCF, in addition to such other rights and remedies it may have by contract or by law or equity, at its sole discretion may reject and return such goods at Bidder's expense, require Bidder to inspect the goods and remove nonconforming goods and/or require Bidder to replace nonconforming goods or services with conforming goods or services. Bidder shall, on request, pay or reimburse SCF or any other party entitled to indemnification hereunder for all costs and expenses, including attorneys' fees, as incurred by SCF or such other party in connection with any such claim, demand, litigation, proceeding, loss, or damage. In addition, for infringement claims, Bidder will, at its own expense and at SCF's option, either procure for SCF the right to continue using the allegedly infringing item, replace it with a non-infringing equivalent, or remove it and refund the purchase price and the transportation and installation costs thereof.

18.0 SEVERABILITY: In case any provision of these Terms and Conditions is found by a court of law to be invalid, unenforceable, or in violation of law, these Terms and Conditions shall be construed as if such invalid or unenforceable provision had never been contained herein and all remaining provisions shall continue to be valid and binding upon the parties.

19.0 DEFAULT: Time is of the essence for a Purchase Order. SCF may by written notice of default to Bidder (a) terminate all or any part of a Purchase Order if Bidder fails to perform, or so fails to make progress as to endanger performance of a Purchase Order in accordance with its terms, and does not cure such failure within a period of ten (10) days (or such longer period as SCF may authorize in writing) after receipt of notice from SCF specifying such failure; and (b) procure, on such terms as it will deem appropriate, goods or services similar to those so terminated. Bidder will continue performance of a Purchase Order to the extent not terminated and will be liable to SCF for any excess costs for such similar goods or services.

As an alternate remedy, and in lieu of termination for default, SCF, at its sole discretion, may elect to extend the delivery schedule and/or waive other deficiencies in Bidder's performance, in which case an equitable reduction in the Purchase Order price will be negotiated. If Bidder for any reason anticipates difficulty in complying with the required delivery date, or in meeting any of the other requirements of a Purchase Order, Bidder will promptly notify SCF in writing. If Bidder does not comply with SCF's delivery schedule, SCF may require delivery by fastest way and charges resulting from the premium transportation must be fully prepaid and absorbed by Bidder. The rights and remedies of SCF provided in this section will not be exclusive and are in addition to any other rights and remedies provided by the Uniform Commercial Code, by law, at equity or under a Purchase Order.

20.0 CONTINUING OBLIGATION OF BIDDER: Notwithstanding the expiration date of a contract resulting from this ITB, the Bidder is obligated to fulfill its responsibilities until warranty, guarantee, maintenance and parts availability requirements have completely expired.

21.0 COMPLIANCE: Bidder agrees to comply with all federal, state, and local laws, ordinances, lawful orders, rules, regulations and ethical, environmental or safety business standards. Bidder shall ensure that provision of goods or services and/or expenditure of funds do not violate any laws, business standards or underlying agreements made by issuance of a Purchase Order. Bidder shall be responsible for any damage or injury not caused by SCF as a result of Bidder's, or any subcontractor's or their employees', servants', or agents', failure to comply with any law, applicable business standard, or underlying agreement made by issuance of a Purchase Order. Furthermore, Bidder may be supplied with a copy of SCF's Code of Conduct and if so, agrees to comply with its provisions and complete compliance training if necessary.

describing an item conflict with a brand name or model number are describing the item, the specifications govern. Reference to brand name or number does not preclude an offer of a comparable or better product, if full specifications and descriptive literature are provided for the product. Failure to provide such specifications and descriptive literature may be cause for rejection of the offer.

25.0 CONTRACT EXTENSION: [Section 1 Item 2.0](#) will indicate if this ITB will result in a onetime purchase or a contract.

25.1 Contracts: Unless otherwise provided in this ITB, SCF and the successful Bidder agree: (1) that any holding over of a contract excluding any exercised renewal options, will be considered as a month-to-month extension, and all other terms and conditions shall remain in full force and effect and (2) to provide written notice to the other party of the intent to cancel such month-to-month extension at least thirty (30) days before the desired date of cancellation.

26.0 CONSOLIDATION OF AWARDS: Due to high administrative costs associated with processing of purchase orders, a single low bid of \$100 or less may, at the discretion of SCF, be awarded to the next low bidder receiving other awards for consolidation purposes.

27.0 PURCHASE COMMITMENT: SCF at its option will have no obligation to award lots or items and or place Purchase Orders with Bidder from any bids or awards resulting from this ITB, both of which will be in SCF's sole discretion. SCF acting in its sole discretion will determine the actual quantity of goods or services to be purchased. The quantity of goods or services, if any, specified in forecasts supplied by SCF from time to time, or otherwise, is an estimate only. Bidder bears sole responsibility for managing Bidder's raw material, work in process, and inventory, and SCF will have no liability with respect thereto (whether upon termination of a Purchase Order or otherwise) other than in connection with termination as provided in this section.

29.0 ORDER DOCUMENTS: Except as specifically allowed under this ITB, an SCF department or employee will not sign any contract or Purchase Order unless authorized by SCF Manager of Purchasing or Manager of Contracts. SCF is not bound by a quote acceptance letter, purchase order, or contract signed and or issued by a person who is not specifically authorized to sign for SCF. SCF's official Purchase Order or Contract are the only order documents that may be used to place orders for goods and or services resulting from this ITB.

30.0 PUBLICITY: Bidder will not use SCF's name or logo in publicity, advertising, or similar activity, except with SCF's prior written consent. Bidder will not disclose the existence of a Purchase Order or any of its respective terms to any third party without SCF's prior written consent.

31.0 NON-ASSIGNMENT: Assignment of a Purchase Order or any interest in it or any payment due or to become due under it, without the prior written consent from SCF, will be void. An assignment will be deemed to include not only a transfer of a Purchase Order or such interest or payment to another party but also a change in control of Bidder, whether by transfer of stock or assets, merger, consolidation, or otherwise. Bids that are conditioned upon SCF's approval of an assignment will be rejected as nonresponsive.

32.0 FORCE MAJEURE: SCF and Bidder shall not be liable for their respective failure to perform any of their obligations resulting from this ITB or under a Purchase Order if prevented from performing such obligations by a cause beyond their respective control, which by the use of due diligence SCF or the Bidder, as the case may be, shall not have been able to overcome, including, but not limited to, acts of God, natural disaster, civil commotion, quarantine, fire, labor disputes or any action or non-action by the United States government, including changes in existing legislation affecting the subject matter of this ITB or a Purchase Order.
