	Date Received	Comment or Question Provided by Bidder	SCF Response	RFP Reference (If Applicable)
1	2/23	In Section 3.9 Performance and Surety Bond the RFP requests that we provide a bid bond and a cashier's check for 5% of the bid amount. This request is an odd request for professional services. We have Errors and Omissions Insurance which covers us for both engineering and project management. In 30 years of project management and engineering I have never seen this requested for professional services as the RFP is requesting. Please clarify this requirement.	In Section 3.9 Performance and Surety Bond - the bid bond and a cashier's check for 5% of the bid amount is NOT required for this project. *This should have been omitted before we posted.
