General Scope of Work: Southcentral Foundation VNPCC New Generator Installation Project at 1001 S Knik Goose Bay Rd., Wasilla, AK 99654. The work shall begin June 2026 and be completed no later than September 2027. Contractors will review existing conditions and prepare a bid based on the information contained in the drawings (supplementary pdf) dated March 5, 2026, and information included in these Bid Documents. Additionally, the contractor shall comply with Southcentral Foundation's administrative requirements of the contract, including the submission of a project schedule, safety plan, schedule of values, daily reports, submittals, and other tasks required under the contract. The Bid documents and Construction documents files are available on SCF's website at: [Procurement and Contracts - Southcentral Foundation](#). It is the bidder's responsibility to check this site regularly for addenda and other information related to this Invitation to Bid.

The mandatory pre-bid conference will be held at 5/21/26 11AM at 1001 S Knik Goose Bay Rd., Wasilla, AK 99654. Registered bidder will receive pre-bid conference meeting location in email.

Alaska Native / American Indian (AN/AI) preference in contracting is applicable and bidders stating native preference must provide a completed statement and proof of Native ownership with the bid. AN/AI owned firms will be awarded a 5% preference. Award of a firm, fixed-price contract for the specified work will be made in accordance with Southcentral Foundation's procurement policies. No bid shall be withdrawn for a period of thirty (30) days subsequent to the submission date without the written consent of Southcentral Foundation.

Performance and Payment Bonds are required in an amount equal to 100% of the total Bid Price. Use AIA Payment and Performance Bond forms A312-2010. All costs for Payment and Performance Bonds shall be included in the Total Stipulated Sum Bid Price.

Southcentral Foundation reserves the right to reject any and all bids, accept other than the lowest bid, and/or waive informalities or irregularities in bids received whenever such rejection, acceptance, and/or waiver is in the best interest of Southcentral Foundation.

PART 1 - GENERAL

1.01 PROJECT GENERAL DESCRIPTION

Emergency Generator Installation (Owner-Furnished Equipment)
Valley Native Primary Care Center (VNPCC)
Project Address: 1001 S Knik Goose Bay Rd., Wasilla, AK 99654

Southcentral Foundation (SCF) is seeking a qualified contractor to receive, install, and prepare for operation an owner-furnished Cummins emergency generator system for VNPCC, in accordance with the contract documents.

SCF has pre-purchased a Cummins 900 kW diesel generator set with integral enclosure and fuel tank. The contractor shall coordinate receipt, installation, and system readiness for commissioning under a separate contract.

Scope of Services

a) Submittals and Coordination

Review Cummins submittals and contract documents. Provide installation shop drawings as required for anchorage, electrical connections, rigging, and coordination with field conditions.

b) Receiving, Rigging, and Storage (OFE)

Coordinate delivery with SCF and manufacturer. Provide all rigging, lifting equipment, and personnel required to safely offload, handle, and set the generator and associated components. Prepare and submit a rigging and lift plan as required. Receive, inspect, and store generator and associated loose-shipped components, including load bank and annunciator. Report any damage upon delivery.

All rigging and lifting operations shall comply with OSHA requirements and manufacturer recommendations.

c) Foundation and Anchorage

Verify pad readiness and install generator in accordance with structural drawings and calculations. Provide and install anchorage systems per specified Hilti design and structural requirements.

d) Generator Setting and Assembly

Set generator, enclosure, and associated components in final location. Assemble any loose-shipped components provided with the generator package.

e) Electrical Installation

Provide all conduits, conductors, grounding, and terminations required for a complete installation. Connect generator to ATS and build electrical system. Coordinate with included circuit breakers and control system.

f) Automatic Transfer Switch (ATS)

Furnish and install ATS units if not provided under separate scope. Complete all terminations and integration with generator controls.

g) Controls and Accessories

Install and connect remote annunciator panel and any other loose-shipped control components. Complete all control wiring and terminations required for system readiness.

h) Load Bank Installation

Receive and install owner-furnished load bank, including all mounting, electrical connections, and coordination required for future testing and commissioning.

i) Fuel Connections

Provide final connections to the generator's integral fuel tank, including fill and vent connections as required by drawings. Full fuel system is not part of this scope.

j) Pre-Functional Installation Checks

Verify installation is complete and ready for commissioning, including anchorage, electrical terminations, and system completeness.

k) Permits and Inspections

Obtain and coordinate all required permits and inspections for installation.

l) Closeout Documentation

Provide as-built drawings and installation documentation.

m) Warranty

Provide installation warranty. Coordinate with manufacturers for any issues related to installation.

n) Site Protection and Cleanup

Protect adjacent areas, repair damage, and leave site clean.

o) Coordination

Attend coordination meetings with SCF, Arcadis, and KPB Architects, Inc.

Anticipated Deliverables

- Installation Shop Drawings (including rigging/lift plan if required)
- Anchorage and Electrical Submittals
- Pre-Functional Checklists
- As-Built Drawings
- Warranty Documentation

Additionally, the contractor shall comply with all administrative requirements of the contract, including the submission of a project schedule, safety plan, schedule of values, daily reports, submittals, and other tasks required under the contract. Due to the occupied nature of the adjacent building, non-disruptive work may commence Monday – Friday from 6:00 AM to 6:00 PM. Any disruptive work must be completed outside the hours indicated. General Contractor is to complete scope of work adhering to Infection Control Risk Assessment (ICRA) per SCF Division 1, 01 40 10.

Project Site

1001 S Knik Goose Bay Rd., Wasilla, AK 99654.

Project Schedule

Construction is anticipated to begin June 2026 with substantial completion by September 2027.

Alaska Native/American Indian Preference

Alaska Native/American Indian "AN/AI" preference in contracting is applicable and bidders stating native preference must provide a completed statement and proof of Native ownership with the bid. AN/AI owned firms will be awarded a 5% preference. Award of a firm, fixed-price contract for the specified work will be made in accordance with Southcentral Foundation's procurement policies. No bid shall be withdrawn for a period of thirty (30) days subsequent to

the submission date without the written consent of Southcentral Foundation.

Owner Background

Southcentral Foundation (SCF) is an Alaska Native-owned healthcare organization serving an estimated 56,146 Alaska Native and American Indian people living in Anchorage, the Matanuska-Susitna Valley, and 60 rural villages in the Anchorage Service Unit (ASU). SCF's first P.L. 638 contract with the Alaska Area Native Health Service began in 1984 to provide dentistry, optometry, community health representatives and injury control services. Substance abuse treatment was added in 1987.

In 1998, SCF assumed ownership and management of the Anchorage Native Primary Care Center, which serves the entire Native population of the state - an estimated 130,682 people. In January 1999, SCF and the Alaska Native Tribal Health Consortium signed an agreement to take over management of the Alaska Native Medical Center from the Indian Health Service.

With this transition, Alaska became the first state in the nation to have all its health facilities for Native Americans managed by Native organizations.

Project Team Members

The project scope includes coordination with SCF's Staff through SCF's Project Manager. The Contractor is also responsible for project closeout including the provisions of Operations and Maintenance Manuals and assignment of written warranties and guarantees as required in the contract.

The SCF Project Manager will issue and evaluate all bids responding to this Invitation to Bid (ITB), negotiate a contract with the successful Bidder in coordination with the SCF Contracts Department, and administer the planning and construction of the project.

This Invitation to Bid (ITB) invites Bidders to respond to a fixed set of criteria for the project and a Stipulated Price contract form. Within the framework of this ITB, the SCF Project Manager will review bids to assess each Bidder's submitted price and capabilities to deliver a quality and efficient project that is the most advantageous to the owner. This set of qualifications described in detail in this ITB will be considered a baseline by which submitted bids will be evaluated.
