SCF26-1199- Comments Questions Answers

| | Date Received | Comment or Question Provided by Bidder | SCF Response | RFP Reference (If Applicable) |
|---|---|---|---|---|
| 1 | 7/14/26 | 1. It was my understanding these services would be at the current location (4341 Tudor Centre Dr.) only? And that pediatric patients (under the age of 12) would be considered at this location after the necessary modifications are made? | IV sedation is currently approved at the Fireweed Dental Clinic Location. There is a need to increase access to this service for customer owners under the age of 13. Ideally, expanding into the Family Dental Clinic 1st floor will occur in the future. | |
| 2 | 7/14/26 | 2. Pre-Operative Assessment & Case Management: a. Patient screening - cannot include airway assessment 48-72hrs before scheduled procedure as this screening is done by telehealth (telephone only). Physical assessment, which includes airway assessment, is completed by the surgeons at the preoperative appointment and then again by the anesthesia provider, immediately prior to the procedure. | There are no changes to current clinical workflows. OFMS and trained general dentists will continue to provide H&Ps for surgical procedures planned to be completed with IV sedation. | |
| 3 | 7/14/26 | 3. Intraoperative Anesthesia Care: a. Monitoring: Temperature is not required by monitoring standards (ASA or ADA) for sedations in adults. We are currently not taking care of pediatric patients at this location. | In order to administer deep sedation we must meet the requirements of ASA, ADA, the State of Alaska, and AAAHC. Based on SCF QA review, we must obtain a baseline temperature before and after procedure requiring sedation, but continuous monitoring is not required unless depolarizing medications or volatile anesthetics are administered. | |
| 4 | 7/16/26 | In section 7.5 Insurance Requirements<br>• #2 - **Professional Liability Insurance** - the requirement for this policy to also include "sexual abuse coverage with a minimum separate limit of **$1,000,000** per claim. This is an unusual amount to be endorsed in this type of provider malpractice insurance. My current policy will only endorse to a maximum of $25,000. The company told me this is a common amount in malpractice, which is meant to complement facility insurance.<br>• I checked on a general liability policy that offered Sexual Abuse & Molestation (SAM) insurance. This is very cost prohibitive as premiums start at $5000 per year, which is nearly twice the cost of my malpractice policy.<br>• Please reconsider this increased amount in consideration of the setting we will be working in - we will never be interacting with customer owners without at least one other staff member present and generally with a full surgical team present<br>• Below is how my current liability policy reads.<br>III. SEXUAL MISCONDUCT PROVISION<br>A. Our Limit of Insurance shall not exceed **$25,000** in the aggregate for all damages arising from the total of all claims, potential claims and suits against an Insured involving any actual or alleged sexual misconduct or physical contact, or attempt thereat or proposal thereof, whether or not related to professional services:<br>1. By an Insured or another person for whom you may be legally liable; and<br>2. With or to any former or current patient of an Insured, or with or to any relative or member of the same household as any patient, or with or to any person with whom that patient or relative has a personal relationship.<br>B. In the event that any of the foregoing are alleged at any time, either in a complaint, during discovery, at trial or otherwise, any and all causes of action alleged and arising out of the same or related courses of professional treatment and/or relationships shall be subject to the $25,000 aggregate Limit of Insurance and shall be part of, and not in addition to, the Limits of Insurance otherwise afforded by this Policy. | **APPENDIX A – INSURANCE PROVISIONS**<br><br>**Replaces Section 7.5 Page 12&13 in the initial RFP 26-1199**<br><br>**This is Southcentral Foundations policy and procedure** | |

| | | | | |
|---|---|---|---|---|
| | | C. We shall not be obligated to undertake nor continue to defend any suit or proceeding subject to the $25,000 aggregate Limit of Insurance after the $25,000 aggregate Limit of Insurance has been exhausted. | | |
| 5 | 7/23/26 | Question regarding<br>**3.9 Performance Bond and Surety Deposits (Project Bonding Requirements)**<br><br>Is this bond held by SCF during the proposal and negotiation phase and then returned to me once we have a signed contract? | A copy of the bid bond will suffice for bidding purposes. An original would need to be submitted to Southcentral Foundation per contracting documents in the event of an award. | Page 6 section 3.9 |

## APPENDIX A – INSURANCE PROVISIONS

Notwithstanding Section 7, Federal Tort Claims Act, without limiting Contractor's indemnification pursuant to Section 8, Indemnity, it is agreed that Contractor shall purchase and maintain in force at all times during the performance of services under this Agreement the following policies of insurance, unless expressly waived below by SCF in writing. Where specific limits are shown, it is understood that they shall be the minimum acceptable limits. If Contractor's policy contains higher limits, SCF shall be entitled to coverage to the extent of such higher limits. Certificates of Insurance and the attachments of Additional Insured Endorsements and Transfer of the Waiver of Rights Endorsements must be furnished to SCF Contract Specialist prior to beginning work. Failure to furnish satisfactory evidence of insurance or lapse of the policy is a material breach and grounds for termination of Contractor's services.

1) Commercial General Liability Insurance: Contractor shall provide Commercial General Liability Insurance with coverage limits not less than $1,000,000 Combined Single Limit for Bodily Injury and Property Damage per occurrence and $2,000,000 Combined Single Limit of Bodily Injury and Property Damage Aggregate. Commercial General Liability insurance shall be written on ISO occurrence form CG 0001 or a substitute form providing equivalent coverage and shall cover liability arising from premises, operations, independent contractors, products-completed operations, personal and advertising injury and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).Contractor shall name SCF as an insured under the CGL, using ISO additional insured endorsements CG 20 10 and CG 20 37 or their equivalent, including coverage for SCF with respect to liability arising out of Contractor's services provided under this Agreement. Additional insured coverage, as required in this subparagraph, will include completed operations and will apply as primary insurance with respect to any other insurance or self-insurance programs afforded to SCF.

2) Workers' Compensation Insurance: Contractor must maintain Workers Compensation and Employers Liability Insurance for its own employees in the amount required under Statutory Limits for those states in which employees are working and Employers Liability Insurance as required by state and federal statutes. The employer's Liability Insurance shall not be less than $1,000,000 per bodily Injury per accident, $1,000,000 bodily injury by disease per employee and $1,000,000 bodily injury by disease policy limit. Contractor will also be responsible for ensuring that any subcontractors who directly or indirectly provide services under this contract maintain Workers' Compensation Insurance in the amount required under Statutory Limits. Contractor waives all rights against SCF and its agents, officers, directors and employees for recovery of damages to the extent these damages are covered by the workers compensation and employers' liability or any commercial umbrella liability insurance obtained by Contractor pursuant to this Agreement. Contractor, pursuant to this agreement, shall obtain an endorsement equivalent to WC 00 03 13 to affect this waiver.

3) Professional Liability Insurance: Contractor will carry Professional Liability coverage at a limit of $1,000,000 Per Claim and $2,000,000 Aggregate. The policy will be endorsed to include sexual abuse coverage with a minimum separate limit of $1,000,000 per claim. If the professional liability policy is written on a claims made form, Contractor shall provide insurance for a period of two years after final payment of this agreement.

4) Commercial Auto Liability Insurance: Contractor shall maintain a commercial automobile liability insurance policy covering all owned, hired, and non-owned vehicles to be used or in connection

with Contractor, with coverage limits not less than $1,000,000 per accident combined single limit bodily injury and property damage.

5) Subcontracting Requirements: Contractor is required to have prior approval by SCF before using any subcontractor. SCF may, in its sole discretion, withhold its approval for any reason or for no reason. Additionally, Contractor shall be responsible for ensuring that its subcontractors comply with the same insurance provision as required herein and as required by Alaska law during the course of its subcontractors' operations. Contractor shall provide copies of all subcontractors' certificates of insurance and endorsements to SCF prior to any subcontractor commencing work.
