SCF26-1200- Cellular Coverage Enhancement Comments Questions & Answers

	Date Received	Comment or Question Provided by Bidder	SCF Response	RFP Reference (If Applicable)
1	7/1/26	Information regarding Time and Place for site visit	Official site visit scheduled for July 14 th at 1:30PM with Chris Smith, ITS. (Both locations)	SCF 26-1200 Cell Enhancement
2	7/7/26	I am reaching out to request floor plans for the following projects so SureCall can create a cellular DAS layout at no charge. The layouts will be used in coordination with the Arcticom integrator team to support their bid for the Cellular Coverage Enhancement opportunity. Once received, our team can review the floor plans and provide a preliminary DAS layout and bill of materials to help support the proposal process.	Floor Plans Provided in Addendum 2 on Southcentral Foundation Website	SCF 26-1200 Cell Enhancement
3	7/8/26	One follow-up question. At our company we group future RFP responses by business unit verticals. Can you tell me if this future DAS solution for these two locations is work is ultimately funded by say the 'U.S. Department of the Interior' or maybe this future DAS solution has nothing to do with any funding from the U.S. government. Please confirm your funding source please.	This project is federally funded	SCF 26-1200 Cell Enhancement
4	7/8/26	I also have one question regarding the proposal. Are floor plans for the two facilities available to registered proposers? If so, could you please let me know how we can access them or where they are posted?	Floor Plans Provided in Addendum 2 on Southcentral Foundation Website	SCF 26-1200 Cell Enhancement
